DURING LENT THIS YEAR, please join us in the parish hall to learn and reflect on the art of Pysanky Egg decorating. Pysanky eggs are traditional Ukrainian Easter eggs decorated using a wax-resist (batik) method. Pysanky eggs are rich in symbolism, with traditional motifs representing nature, prosperity, protection, and renewal. Historically, they were believed to have protective powers and were often given as gifts. The tradition has been passed down through generations and remains an important cultural and artistic practice in Eastern Europe. The dates we will be in the parish hall are March 15, March 29 and April 12 from 9 AM to 12 Noon. All materials will be supplied (including eggs). Participants are just asked to bring paper towels and patience.

WE HAVE PLACED RICE BOWLS AT EACH ENTRANCE TO THE CHURCH We invite you to take one home with you. Our regular giving small change during Lent will be a wonderful reminder to us of the needy and hungry throughout the world and we will be helping them. We will collect your Lenten “savings” at the end of Lent.

The Jubilee Prayer

Father in heaven, may the faith you have given us in your son, Jesus Christ, our brother, and the flame of charity enkindled in our hearts by the Holy Spirit reawaken in us the blessed hope for the coming of your Kingdom.

May your grace transform us into tireless cultivators of the seeds of the Gospel. May those seeds transform from within both humanity and the whole cosmos in the sure expectation of a new heaven and a new earth, when, with the power of Evil vanquished, your glory will shine eternally.

May the grace of the Jubilee reawaken in us, Pilgrims of Hope, yearning for the treasures of heaven. May that same grace spread the joy and peace in our Redeemer through the earth. To you, our God, eternally blessed, be glory and praise forever.

Amen
